HOW ABOUT YOUR SALARY CHECK?

Does it measure, adequately, the service you render?

More than seventeen thousand brainy men and women have received larger salary checks—often double—by using WESTERN REFERENCE SERVICE. Our ninth year of recommending only when asked to do so by employers. *This is why our members are usually chosen. They are wanted.* Any other method is unethical and unprofessional. Thousands of the best and most progressive employers in forty-three states and four foreign countries recognize this, and last season asked us to furnish WESTERN REFERENCE teachers, from Kindergarten to University.

If YOU want a position in these desirable schools, with adequate salaries and congenial conditions, you must use the same service they use when in need of teachers—WESTERN REFERENCE SERVICE. *Free enrollment. Commission payable out of first and second months salary.* ENROLL TODAY.

Teach Public Speaking with Records

During the recent political campaign splendid records were made of the Presidential candidates, and other statesmen, discussing live issues. They offer valuable information on their respective topics, a basis for live discussion and debate. Their various types of voice and delivery present a wonderful opportunity for study of enunciation, pronunciation, and style.

On the following records, for the first time in history, may be heard the very voices of the men who are *making history*. They furnish an invaluable record of present events for study, development of personal power in public speaking, future reference, and are a source of inspiration. They are a call to the teacher of English for service.

Nation's Forum Records

One of the epoch-making Presidential campaigns of American history is now in its final closing whirl. A great tribute was paid the industry and the Columbia in particular when the Presidential candidates, Party leaders, and prominent public characters of both parties united in the innovation of recording their policies upon exclusive *Nation's Forum—Columbia Records*. Upon the records below, for the first time in history, recorded in the very voices of the men who are making the history, is a full and wonderful record of present events for the future reference, inspiration, and enjoyment of every American citizen.

Any Columbia Dealer will supply these records for you.
